Observations...

By the Editor

The teacher pay question is one of the hottest in the State at the present time... the teachers voted by a great majority to reject the plan submitted them by the committee appointed to set up a uniform teachers pay system... why is it necessary to have further examinations to classify teachers who have been in service for many years... if they are fit to teach, they should be paid according to their educational qualifications... certainly our colleges are just not handing out degrees... teachers in Mississippi have been underpaid too long... of course, the question of the color line is playing an important part in the plans for equal pay... this should not be... it is important to have qualified and educated teachers for our children... remember, the seed of the many ills can be sowed among them very easily... it is time to forget demagoguery and develop real citizens with love of God and Country as their first principle... the legislative highway planning committee has been at work for some length of time trying to formulate a road program for Mississippi... the Governor states that he will call a special session to enact the necessary legislation if 20 senators do not oppose the plan submitted for the placing of an additional gas tax levy... frankly, as we see it, the plan is just too slow a process... 15 years to build secondary roads... If we need roads, we need them now... a cheap type of paving will be worn out by the first roads built before we get to the end of the program... under the program submitted, who is going to build highway 90 along the Mississippi Gulf Coast, and who will build the bridge across the Bay of St. Louis... Highway 90, so they say, will take \$20,000,000... it appears, from a long range, that Hancock, Harrison and Jackson counties are again preparing to get a swift kick in the pants... just a passing thought... many of the business men of Bay St. Louis keep business away from their places because they take up the parking spaces with their own cars... we are guilty, and from here out we are going to try and remember not to park in the front, we will use the back yard... REA day really brought many people to Bay St. Louis, a conservative estimate would be that we had 2000 visitors... think what 2000 buyers from the rural section of the county would mean to Bay St. Louis each week end... it is not impossible... it is only necessary for the merchants to get together and work out a plan, catering to their needs, offering them good merchandise at a fair price... it will not be long before the Bay Wavaland Yacht Club will be completed... this is an example of what leadership means to our community... the same plan would probably bring about a sand beach, pier and park for Bay St. Louis... The Hancock Bank celebrated its 50th anniversary Friday, October 9... it was founded in Bay St. Louis October 9, 1899, with total resources of \$18,377.41... today, fifty years later, it shows resources of more than \$15,000,000 and serving in addition to Bay St. Louis, the cities of Gulfport and Pass Christian... the day was fittingly celebrated with a banquet for the employees and their wives, husbands or dates at the Markham Hotel Monday evening, and on this occasion the employees of the bank through Bill Robinson, its popular V. P. and Cashier, presented Leo W. Seal, president a gold watch, and Mr. Seal on behalf of the bank presented to Miss Ruth Cazeneuve, the efficient assistant cashier of Bay Bank, a beautiful wrist watch in appreciation of her long loyal service... on the editorial page of this issue is found a copy of the sworn statement submitted by us to the post office in compliance with postal regulations... we happily note our growing circulation figure which is now 1817

Jitney Jungle Opens For Business In New Home

—Photo by Tony Scaife

The picture above was taken on the occasion of the open house held Thursday in the new home of Scharf's Jitney Jungle on Second and Main streets.

Shown, from left to right, are: front row—C. C. McDonald, Jr., giving the keys to the store to J. R. Scharf; back row—Claude Hooten, architect, Houston, Texas; John Dud-

ley, Mississippi supervisor of Jitney Jungle self-service stores; Will McCarthy, president of the Jitney Jungle stores and Warren J. Carver, Mayor of Bay St. Louis.

Large crowds were in and out of the store from 3 to 9 p. m., the hours of the open house. Souvenirs were given to the visitors at this time.

The building and attractive addition to the business section, is a spacious structure with plate glass covering the entire front. Facing on Second and Main streets are concrete parking spaces for the convenience of shoppers.

The contractor was C. C. McDonald, Jr. The building is owned by the McDonald Realty Co.

James M. Simmons Named Head Of P. M. A. In Area

James M. Simmons, a native of Ripley, Miss., has been appointed director of the Production and Marketing administration in this area, according to Howard T. Simmons, Hancock county agriculture agent.

The newly appointed director succeeds John S. Flora who is being transferred to a position with the Soil Conservation Service at Calhoun City. Mr. Flora has been with P. M. A. since 1942 except for a 28-month period during which he served with the armed forces.

This will be Director Simmons' first position. He was graduated from Mississippi State College in May with a bachelor of science degree in agriculture and has recently completed a training course given by the Production and Marketing Administration at Booneville, Miss.

His duties consist of general supervisory work of all P. M. A. activities in Hancock and Harrison counties.

Mr. Simmons is 24 years of age and will reside in Gulfport with his wife and child. He is a veteran of three years with the Naval corps.

STATE HIGHWAY DEPT. REPAIRS ULMAN AVE.

The state highway department has agreed to take over maintenance and repair of the first block of Ulman avenue, between North Beach and Second streets, which heretofore has been under jurisdiction of the city. J. Cyril Glover, commissioner of finance, announced last week.

Work of rehabilitating this section of the highway will begin immediately under the supervision of the Mississippi highway department, he said.

CITIZEN'S MEETING CALLED TO DISCUSS PLAYGROUND SALE

The Central School P. T. A. is sponsoring a citizen's meeting called for Tuesday night, October 18 at 7:30 at the Youth Center.

Many friends and parents of the children of Bay St. Louis are concerned over the possible sale of the playground which is across from Bay High school and directly in front of the Youth Center.

Nugent Johnson Turns Car Over On South Beach Road

Nugent Johnson, former Bay St. Louis resident, is in the King's Daughters Hospital suffering from shock as a result of pulled ligaments and cuts on his legs after being thrown from his car Sunday, October 9 when it turned over on the Wavaland Beach road.

Johnson at the hospital said he had come from Baton Rouge where he now lives and was visiting his son, Bill Johnson, at Lakeshore. He was enroute Sunday afternoon to visit another son, Sheriff B. D. Johnson, in Bay St. Louis. He said he was driving leisurely on the beach road and just as he passed Gulfside his car struck a loose piece of cement, left the road and turned over. A woman and her husband sitting on the seawall called Sheriff Johnson and the hospital.

Johnson, who is 72, was in good spirits but said that at first he was afraid his injuries would keep him from living his other 28 years.

According to the woman who saw the accident, the car turned over four times. Johnson said he was driving between 30 and 35 m. p. h.

Elect Four Members To Board Of Directors Of Hancock County Chamber Of Commerce

Funeral Services Are Held For Deceased City Police Officer

Funeral services were held here Tuesday morning for George O. Boudin who died suddenly at the Kings Daughters Hospital Sunday, October 8 at 6:30 p. m. Religious services were conducted at the funeral home and the grave by Rev. Father Patrick Grant.

A requiem Mass was celebrated at Our Lady of the Gulf Catholic church, with Right Reverend Monsignor A. J. Gmelch as the celebrant. Interment was in Cedar Rest cemetery. Pallbearers were Eugene Monti, Wilmer Thideaux, B. D. Johnson, Clarence Moran, Frank Hobbs and Gerald Favre.

Mr. Boudin, city police officer, had gone into the Beach Drug Store Sunday afternoon at about 6 p. m. and said he wanted something for indigestion. The pharmacist was out and Miss Kergosien questioned Officer Boudin as to what he had been eating. He later said he felt better and left the drug store but returned almost immediately and asked to be driven home as he felt too ill to drive his car. Miss Kergosien said she would and on the way Miss Kergosien said he slumped against her and realizing the seriousness of his condition she drove him to the hospital. At 6:30 Mr. Boudin was pronounced dead by the attending physician whose diagnosis was thrombosis.

Mr. Boudin, 40 years old, was a native of Bay St. Louis. He was the son of Mrs. Elizabeth Dillman Boudin and the late Peter Boudin. He leaves his wife, Eunice Ladner Boudin two sons, Jack and Bobby; three sisters, Mrs. Julie Book, Mrs. Miriam Carbonette, Mrs. Ethel Quintini; and his mother.

Mr. Boudin was a member of the Catholic Church and of the Pere LeDuc Council of Knights of Columbus.

He was appointed to the police force June 10, 1949.

THEATRE BODY HOSTS BOARD OF DIRECTORS

The Bay St. Louis Little Theater was host Thursday night to the board of directors of the Gulfport Little Theater and Saturday to the board of the Biloxi Little Theater.

The guests were here to view the local groups latest production, Daphne Du Maurier's "Rebecca." For next Thursday evening the board of directors of the local theatrical aggregation and their wives have invitations to attend a performance of "Command Decision," the current production of the Gulfport theater.

Following the opening night performance of "Rebecca" Thursday night a cast party was given at the home of Mrs. Billie Trastear.

A. J. Chapman, Jr., R. L. Hamilton, H. H. Shattuck and D. M. Russell, Jr. were elected to the board of directors of the Hancock County Chamber of Commerce at the October meeting held Tuesday night. Other directors who have another year to serve are J. B. Burrow, G. S. Stevenson, Dr. B. L. Ramsey, A. H. Gregory and T. T. Robin. The board will elect officers within the next 10 days.

A matter of business to come up was the possibility of installing water meters. Commissioner of public utilities Sylvan J. Ladner was asked to speak on the matter. Mr. Ladner said that water meters would cost the city \$16 each and that there are 2,000 subscribers of the city water. This would entail a cost of \$32,000 for meters alone.

When asked what the annual revenue from the water rent is, he said that the rents from the water total \$15,000 and the one mill levy allowed sets \$3,000, which will be a total of \$18,000. Mr. Ladner said further that the installing of these meters would bring the total minimum cost for buying and installing to \$50,000. He expressed himself as being in favor of water meters, but with the present financial status of the city he did not think it feasible at this time.

Also discussed was the matter of 800 drums of tar given the city by the U. S. government after the 1947 hurricane. It has been determined that the tar cannot be used successfully on the city streets. Engineers have been consulted tests have been made, and it was found that when the tar solidifies it cracks.

The tar was stored at the expense of the city and is of no use. Efforts have been made by the present administration to sell the tar.

T. T. Robin, president of the C. of C., is most optimistic of the future of the Gulf Coast and Bay St. Louis in particular and is strongly in favor of all improvements for the city when financial conditions will permit.

C. W. Fountain Is Re-elected Coast Electric's President

C. W. Fountain was elected president of the board of directors of the Coast Electric Power Association at the annual meeting of that group Saturday afternoon. He has served in this capacity since the beginning of the Co-op in this area some 11 years ago.

Other officers elected were F. Randall Rester, vice president; and John S. Rester who will succeed himself as secretary-treasurer.

Elected to the board of directors were: From Hancock county, C. W. Fountain; John S. Rester, and George Curet; from Harrison county, B. F. Morris; Fred S. Ladner, Sr., and R. P. Turan; from Pearl River county, F. Randall Rester, W. A. Burkes, and Walter Stewart.

NEW DEBT CEILING OF \$5,000,000 SET BY COAST ELECTRIC

Members of the Coast Electric Power Association voted last week to raise their debt ceiling from \$1,500,000 to \$5,000,000. The vote in favor of the raise tallied at the Association's annual meeting Saturday was 2601 for the raise, 1 vote against it.

Of the members voting 2011 were cast by proxy, 591 members voted in person.

The margin of 2601 votes is more than sufficient to insure the raise according to the by-laws of the association, H. H. Shattuck, manager, said.

Commenting on the outcome of the poll Mr. Shattuck declared, "The members realize the importance of the matter and thus assured themselves of continued improvements in service and made possible the extension of service to those not yet on the R. E. A. circuit."

The result of this poll will allow the Association to utilize funds previously loaned the co-op but not usable heretofore under the limitations of the old debt ceiling."

In his report at the meeting Saturday, Manager Shattuck explained that this new debt ceiling in no way meant that \$5,000,000 would be borrowed. But if the need for additional funds is proven to the R. E. A. in Washington, then it would be possible to borrow up to that amount, he explained.

Referring to charts and graphs the manager further reported on the growth and progress made by the co-op during the year, and to the service and construction accomplishments. He also briefly outlined plans for the near future including the construction of the new headquarters building and immediate installations of two-way radio communications, and continued improvement of service facilities.

Also delivering reports to the assembled members was C. W. Fountain, president of the board of directors, who commented briefly on the year's program. He pointed out that during the past year some 750 additional members throughout the Association's three-county area had been added to the service list.

During his report the president defined anyone present to show him any other business with a capital investment of one million dollars being operated and maintained efficiently by a staff of 30 employees.

The financial report of the association was prepared by John S. Rester, secretary-treasurer, and read by the manager. This report significantly pointed out that as of December 31, 1948 the total value of the members' equity in the association had reached \$193,603.70. The co-op in the beginning, had borrowed over a million dollars.

This report further stated that the co-op is paying all government obligations on time and is in excellent financial condition.

Hancock Bank Concludes Successful Half Century; Celebrates Golden Jubilee

October 9 marked the end of the first 50 years during which the Hancock Bank has rendered great service and superb leadership to the Mississippi Gulf Coast.

The occasion was fittingly commemorated with a banquet and party at Gulfport's Hotel Markham Monday evening. Attended by employees of the three branches of the bank and their guests the affair was informal, enjoyable and friendly.

Add efficiency, integrity and stability to this description of the celebration and, you have a description of the Hancock Bank itself and the principles under which it operates. From a wobbly beginning, half a

century ago to the brawny stability of the present, these principles have been strictly and consistently followed.

It was on August 29, 1899 that the Hancock bank was actually set up. On that date 35 stock holders met at the Hancock county courthouse to elect a board of directors. The following men were named: Peter Hellewege, August Kellar, P. E. Hellewege, Joseph F. Cazeneuve, G. H. Dunbar, F. B. Dunbar, Charles Mitchell, James V. Dunbar, and E. H. Hoffman.

Officers elected at the same meeting were Peter Hellewege, president; James V. Dunbar, vice president; E. H. Roberts, secretary and cashier.

Also at that time the stockholders voted to lease "the Combrel property" immediately north of the convent for seven dollars per month. It was there, in a tiny white frame building—long since destroyed—that the Hancock Bank opened for business. On its opening date the new money house boasted a paid up capital of \$10,000 and deposits totaling \$8,377.41.

During the initial year the bank prospered. By January 10, 1900, according to the minutes of the board of directors, it had "resolved to purchase the lot on the SW corner of Main and Front (now Beach) 24 x 138 and the lot on the East side of Front immediately in front of said lot for \$2,000."

Shortly afterward, on March 1, the contract for construction of the new building was awarded John T. McDonald. The cost: \$5,100, "vault included."

Expansion was rapid, and in 1902 a branch of the Hancock County

Bank was established in Pearlington. It was moved to Long Beach in 1926 and to Gulfport in 1932 where it has grown and prospered.

Also in 1902 a branch of the bank was opened in Pass Christian. Each division of the bank has operated on the principles—integrity, efficiency and courtesy—set up by the founders.

And these principles have assured continued progress down through the years. From the original total assets of only \$18,377.41 the Bank has grown to a business now worth over \$15,000,000. And even during the early '30's when many banks throughout the country went broke, the Hancock Bank held steady with some \$2,000,000 total assets.

The list of people who have made the Bank the successful institution it is, sounds much like a Hancock County Hall of Fame. Besides the first officers there was Joseph Cazeneuve who became vice president in 1901, a position he held, along with that of cashier until he retired in 1922.

In 1907 when Peter Hellewege died, the presidency went to E. H. Roberts. He resigned in 1918 and was succeeded by H. S. Weston who held this position until his death in 1931 at which time Leo W. Seal was elected. Other officers who have guided and directed the bank through its first half century include: R. C. Engman, S. L. Engman, Peter Tidbury, Irene Cazeneuve, Charles J. Mitchell, A. A. Scaife.

Then there is Miss Ruth Cazeneuve who came to the Bank 40 years ago. In 1939 she was named an assistant cashier.

The present vice president and cashier is William Robinson of Pass Christian. Mr. Robinson began work with the Bank in 1925, was assistant cashier, 1931-35, became vice president in 1935.

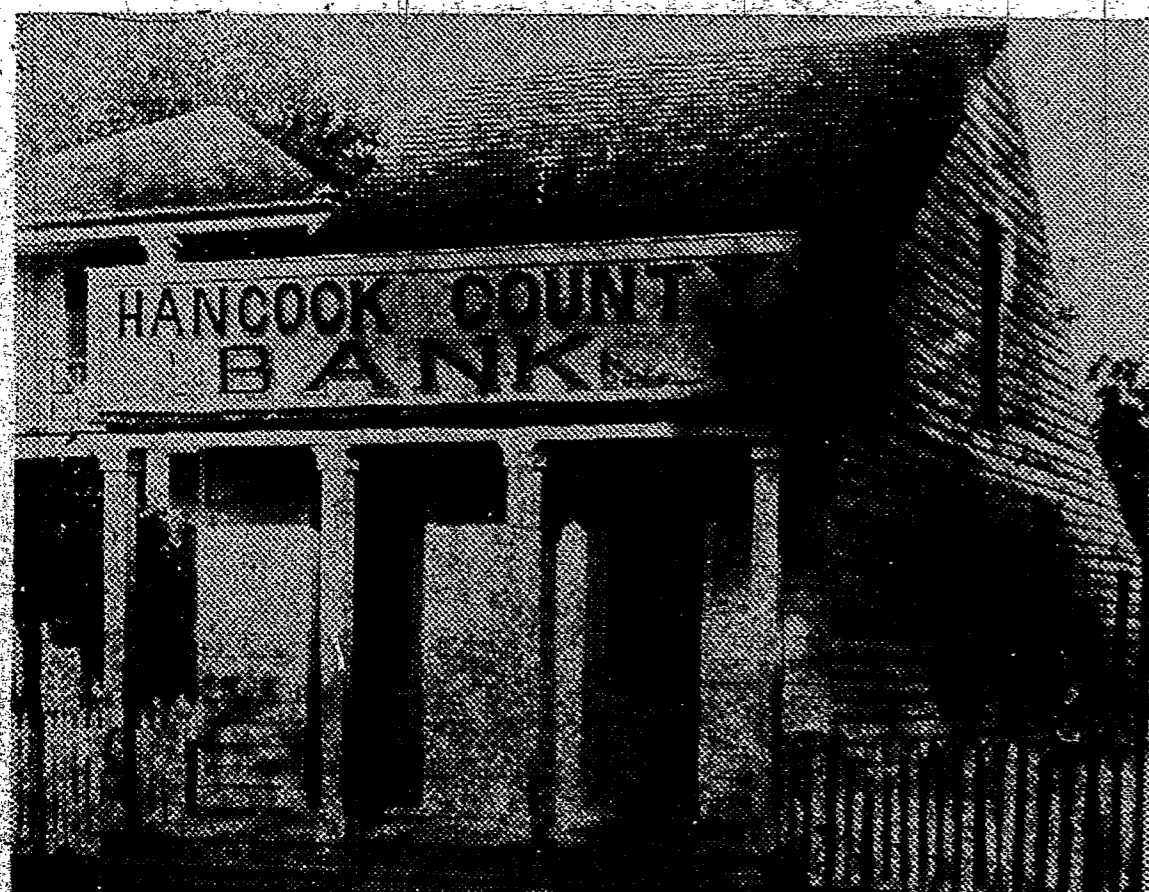

With such individuals as these in executive positions and with sincere and faithful employees down through the years, it is not difficult

to understand the success of the Hancock Bank.

To all who comprise this splendid institution: We salute you on your Golden Jubilee.

MORE APPRECIATION, PLEASE

Two groups in Bay St. Louis which have more influence in their spheres of endeavor, and yet which are given the least recognition for the work they do, are the bands of St. Stanislaus and Bay High.

These organizations are on hand for every football game, pep rally, and parade. It is never too much trouble for the bands to march, and march they do, on holidays, at night and in the afternoons when the rest of the students are free to enjoy themselves.

Granted, the members of the football teams put in long, tiresome hours but they are rewarded by the acclamation of the crowd as well as materially, in the form of sweaters, jackets and gold footballs.

The band members get nothing for their efforts. Indeed, they are taken for granted. If, during half time at a game, a band does not march, and march well, the crowd is indignant. "Where is the band," or when they march, "Look at that, they made a mistake!" are remarks often heard coming from the stands.

When they travel long distances to take part in contests it is expected that the members pay part of their expenses. Then there's the practice after school hours. This is another sacrifice made by those who furnish the music for our enjoyment. It is quite a sacrifice for high school students to give up their afternoons in order to furnish background for every event that comes along.

Our high school bands should be encouraged, not criticized or taken for granted. In this way they will outdo themselves on every occasion with the result that the bands of the future will be of even higher caliber.

LETTERS

WE WANT PROGRESS

To-The Editor:

It seems that when one starts breaking into print he never quite gets it all off his system. So, Mr. Editor, you must assume responsibility for inflicting this on your readers.

Each article produces comment and this in turn produces more thoughts. It has been suggested to me that Bay St. Louis is a resort town and we should let it stay that way; that those who come to live here do not want to be disturbed by the hurly burly life of an active trade community. I am sure those who feel that way are quite sincere in their position.

For that reason it remains for us who would like to see more activity here to bring it about. In the first place, everyone can't live on the beach, but many who live here would like to enjoy the pleasures of boating, swimming, sunning on the sand, etc. For that reason we feel that Bay St. Louis would be a far more liveable "resort town" if the city authorities would take some steps to provide a public beach.

I have tried to point out in a previous article that this can be done at no great expense, and it would probably be the best investment that this community ever made. But if the city's finances won't permit then those of us interested in development should take steps to get it done. If fifty thousand dollars could be raised by a stock issue of an "Improvement Association" the investor would certainly get his money back and probably with interest. There would be many who would join in the development for the purpose of financial gain. They would operate the concessions that go with such a recreational facility and pay what is right for such a concession. It can be done.

The Echo, in the last issue, carried stories on the nearby poultry development. There is no finer country for the production of poultry—less rodents and less disease. With its development, a chicken packing plant could be established here. In Gulfport there is a large pecan shelling and packing plant. Why in Gulfport? There are as many, or more, pecans produced in Hancock county. For that matter, Bay St. Louis could become the home of a candy manufacturing concern utilizing our native pecans and sugar cane molasses.

But if this is going to be a resort town then we should have two or three sizeable resort hotels along the beach. We have a better, prettier and far more delightful beach front than any other section of the coast. Why not encourage people to do something with it?

We are not critical. We are sure the Chamber of Commerce has done all in its power to help the situation. It is not to blame—it is the apathy existing among our business men. Some are doing an excellent job. Many new residences and buildings have been and are being erected. Bay St. Louis is growing and we should give credit to those who are bringing these things about. But other things are not keeping pace with what they are doing. We are apparently in a rut. Last week the Rural Electric Association staged a show here that was a credit to any community. Two or three thousand visitors attended the show. They came from a large area. It was a marvelous opportunity for local people to show off the town. Every store should have been decorated. The streets should have been decorated. There should have been free games for those who enjoy athletic

sports. There should have been boat racing. The Echo certainly did its part. That was a fine edition you got out, Mr. Editor. But away from the school building you could hardly tell the event was going on. I realize it is easy to suggest things and difficult to carry them out. It means that a group of people has to give not only money but expend a great deal of energy to get things of this kind done. But it is worth while.

Some of us will probably attend the fair at Jackson this month. Every day some kind of a civic, commercial or industrial parade will pass down Capitol Street to attract the attention of the visitor and sell them on the opportunities afforded by Jackson.

If this is a resort town we should stage those things here that go to emphasize that it is a resort town. There is a job for everyone of us.

I am in the real estate business. My interest is naturally in making money, and to do this I must sell real estate; and to sell real estate Bay St. Louis must be up and doing. Every other business person has the same stake in the matter. Individually we can do very little. Collectively we can do anything we want to do.

If we are going to live in Bay St. Louis, and we want progress, it is up to us to get together. The Chamber of Commerce is a fine organization but have you attended a meeting of it this year? Do you belong to it? Have you given it the benefit of your suggestions? Just what have you done to help promote growth here? Let's start this campaign by everyone taking stock of himself.

If you have fallen down then determine that from here on out you are going to do your part.

COUNTY AGENT'S NOTES

Dallis Grass Is Found Best For Mississippi Pastures; Plant Now

By Howard F. Simmons

Dallis grass is the best pasture grass in Mississippi, and will furnish more days of grazing than any other plant if properly managed. It will grow on greater soil variation than most grasses.

October and November are two good months to seed Dallis. So with October here, preparations for seeding Dallis should be made.

A good seedbed is the secret of getting a good stand of Dallis. It is a waste of seed to plant Dallis on old carpet or heavy Bermuda sod.

Before planting, minerals should be applied, and the land should either be well disked and cultipacked or settled by rain. Good shallow preparation is better than deep cloddy preparation.

Fertile terrace or bottom land is best for Dallis. It will also do well on hill lands which are fertile, have organic matter and are not overgrazed.

Best system is to put the bottom land in Dallis and white clovers and the hill land in Dallis and Lespedeza. See the County Agent about other combinations.

Minerals must be used on Dallis to get clovers in combinations. The soil should be tested to see what needs be added.

One thousand pounds of slag or one ton of lime per acre is generally enough on sandy soil. On old unfertilized pasture, 500 pounds of 20 percent phosphate per acre is needed to begin with, followed by 250 pounds per year. Also needed is 100

pounds of Muriate of potash at the start and another 100 pounds every two years.

Seeding rate for Dallis is 15 lbs. of good seed per acre. One ton of Dallis hay scattered on three acres of prepared land is good for mulching.

Following are several methods of seeding Dallis grass.

Prepare land well and either drill seed and cultipack or sow seed and harrow, then cultipack. It pays to cover Dallis seed lightly.

Mineralize, prepare land and plant oat. Then plant Dallis, cover lightly and cultipack. mulch with Dallis grass hay.

Plant in three foot rows with planter, using sorghum or Sudan plate.

Renovate and fertilize old pasture and let cattle go from good Dallis area to the area to be seeded. This has proved successful.

A slow way but successful with proper management, is to mineralize and renovate the old pasture and let Dallis volunteer.

Mrs. C. G. Alba, Mrs. Thomas Shields and Mrs. Herbert Bleuhler of New Orleans are spending a week at the Korndorff cottage.

Dr. and Mrs. Anees Mogabgab of New Orleans visited the former's brother and sister-in-law, Mr. and Mrs. Eugene Mogabgab, for the week end. Mr. and Mrs. Mogabgab also had with them Walker Spangenberg of New Orleans.

Plain Groceries Fixed Differently
Get Rid Of Those Lunch Box Blues

By Madge Allred

Have you planned to fix bang-up lunches for Johnnie or Mary to carry to school?

You may even call it a Lunch Box Banquet, if they go for that kind of eating. Or maybe your husband works away from home and has to carry his noonday food with him. What ever the circumstances, don't go gloomy over the situation.

Just take your everyday groceries and prepare them in different ways. A surprise will do wonders. You can furnish nourishment and satisfaction at the same time.

Here are some suggestions for doing just that:

Egg Butter
3 hard boiled eggs, sieved; 1/4 teaspoon salt; 2 tablespoons salad dressing or mayonnaise; 1 tablespoon lemon juice; 1/4 teaspoon dry mustard; 1/8 teaspoon cayenne.

Blend eggs, salad dressing, lemon juice and seasonings. Add more seasoning, if desired. Keep in the refrigerator until ready to use. Spread for four sandwiches—2 tablespoons for each sandwich.

Chicken Salad Filling
1 cup chopped cooked chicken; 1/4 teaspoon salt; 1/4 teaspoon pepper; 3 tablespoons salad dressing; 2 teaspoons chopped celery.

Blend all ingredients. Add more seasoning and salad dressing, if desired. Makes 1 to 1 1/4 cups—filling for 8 to 10 sandwiches.

Variations: Add 1/2 cup grated carrot and 1 teaspoon finely grated

onion. Salad sandwich boat: Cut top of weiner or hamburger bun and scoop out inside. Spread with butter and add sandwich filling. Butter top and replace.

Peanut Bars
1 jar (15 or 16 ounces) peanut butter; 1/4 teaspoon salt; 1 cup sugar. Blend peanut butter with salt, 1/2 teaspoon vanilla; 2 egg whites, sugar and vanilla. Stir in the egg whites beaten until slightly foamy, but not stiff. When well blended, roll on a slightly floured board to one-fourth inch thick. Cut in strips 3 inches long and 1 inch wide. Bake on an ungreased cookie sheet in a moderate oven (350 degrees F) for 15 to 20 minutes. Makes 3 dozen.

Apple Bread
1/2 cup shortening; 2/3 cup sugar; 2 eggs; 2 cups sifted all purpose flour; 1 teaspoon baking powder; 1 teaspoon baking soda; 1 teaspoon salt; 1 cup finely chopped peeled apple; 1/2 cup chopped nuts.

Cream together shortening and sugar. Beat in eggs one at a time. Sift flour with baking powder and salt. Add to creamed mixture with apple. Stir until just blended. Mix in nuts. Do not beat. Pour into a greased loaf pan (8 x 4 x 3 inch). Bake in a moderate oven (350 degrees F) 1 hour. Remove from pan and cool thoroughly. Use plain, with butter or with peanut butter, jelly or cheese filling.

Jeanette Fuenti Becomes Bride
Of T. P. Cote, Jr. In Jackson

MRS. THOMAS P. COTE, JR.

Miss Jeanette Elizabeth Fuenti, daughter of Mr. and Mrs. A. R. Fuenti, and Thomas Philip Cote, Jr., son of Mr. and Mrs. Cote, were married at a nuptial Mass in St. Peter's Catholic church in Jackson, Miss., September 17. Rev. Eamon Mullen officiated.

The bride, given in marriage by her father, wore a wedding gown of candlelight satin fashioned with a tight-fitting bodice with button trim down the front and long sleeves ending in lily points over the hands. If featured a yoke of silk illusion with an off-shoulder neckline encircled by a bertha cuff. Her skirt ended in a graceful chapel train. Her fingertip veil was of double illusion with a face veil; it fell from a coronet of shirred illusion, caught with a wreath of orange blossoms. The bride carried a bouquet of white feathered chrysanthemums centered with an orchid and caught with satin streamers tied in lovers' knots.

Miss Betty June Fuente, sister of the bride, was maid of honor, and Mrs. Robert R. Burst, another sister, was matron of honor. Miss Dorothy Cote, sister of the bridegroom, was bridesmaid. All wore gowns of American Beauty satin featuring a fitted bodice with self-covered but-

tons down the front and an off-shoulder neckline encircled by a bertha cuff. Each carried a crescent-shaped bouquet of lavender pink chrysanthemums with matching satin ribbon streamers. Their headresses were corsages of flowers matching their bouquets, tied with American Beauty satin ribbon.

The bridegroom was attended by his brother, Bennie F. Cote, as best man. Groomsman were Lloyd Cote and Robert R. Burst. Ushers were Chester A. Travira, Jr. and Dewey Collingsworth.

Mr. and Mrs. A. R. Fuenti entertained with an informal reception at the Waltham hotel immediately following the ceremony. The bride's table was laid with a white linen cut-work cloth, and centered with a three tiered wedding cake of white and green, tipped by a pair of bridal slippers.

For traveling the bride chose a navy blue wool suit with a lavender blouse. Her accessories were of navy and she wore a small navy satin off-the-face hat, with a veil of navy maline. She wore an orchid corsage.

The bride is a niece of Mr. Lander Necaise of Kilm.

NEWS OF OUR COLORED PEOPLE

Jones Basketeers Begin Practice

The Valena C. Jones basketball team has started practice for the coming season. Freddie Lewis is the captain of this year's team.

The bazaar at V. C. J. School was a success. Everyone attending had a nice time. Nathaniel Garrett won the table cloth that was raffled, while Mrs. Walter Whaves won the table basket.

Harry Hall of V. C. J. school received a serious injury on his left arm and had been rushed to the doctor for treatment.

Rev. Arthur Winters, S. V. D. of St. Augustine's Seminary was transferred to Holy Rosary Parish in Lafayette, La. His brother, Rev. Richard Winters, S. V. D. is also stationed there.

From Saturday, October 1, until Sunday, October 9, Novena services were held every evening at 7:30 at the St. Rose de Lima Church. On Sunday, October 9, there was solemn closing of the novena. The school children presented the "Living Rosary." The novena services were well attended.

On Sunday, October 9, the seventh and eighth graders of St. Rose de Lima sponsored a successful party at the school auditorium from 3:30 p. m. until 10 p. m. It was interrupted long enough to give everyone a chance to attend services. The proceeds of the party will go for improvements of the classroom.

A grand barn dance was held at the Hundred Men Pavilion, Friday, October 7. This dance was sponsored by Mr. Sam Nicholas. The Morgan's Band from New Orleans, played for the occasion.

On Thursday, October 6, Mrs. Aaron Smith was called to the bedside of her father, Andrew Lee, in New Orleans. Mr. Lee took sick suddenly but has recovered somewhat.

Lewis Cardreon motored from Los Angeles, Calif., to Pass Christian to visit his sick mother, Mrs. Irene Cardreon. He arrived Saturday, October 1, and stayed with his mother until October 10.

Edward Frederick and family motored from Chicago, to visit a week with Mr. Frederick's mother in Pass Christian. It was their first visit in six years and both sides enjoyed it immensely.

The St. Rose Alumni Association held a meeting Sunday, October 9. It was decided that a cake walk

should be given at the St. Rose Auditorium Sunday, October 16.

Mr. Arnie Lanauk, who registered for the Navy Reserve, returned from a two week's cruise in the Atlantic. This was his first experience on water. He liked it, and says he may soon go for a six months' cruise overseas.

It has always been the custom of the seniors and juniors of St. Rose de Lima High to raise money to meet their graduation expenses, thus lightening their parents' burden. In recent years some members of the community formed the opinion that activities sponsored by the juniors and seniors were for the benefit of the school. To avoid this confusion, the students have decided that whenever they are raising money for their graduation fund the seniors will do so under the name of Coopers, and the juniors under the name of the Nine O-Aces. They hope that their activities will be patronized by all.

On Wednesday, September 28, given in the amount of \$100 were prizes in the bingo party sponsored by the Ladies Auxiliary. This party was the first in the series of bingos to be held each Wednesday night at 7:30 at the St. Rose auditorium. These parties are for the benefit of St. Rose de Lima church and the Ladies Auxiliary. The winners were as follows: Joseph Williams, \$25; Genevieve Garrett, \$20; Paul Bryant, \$15; Joseph Grant, \$10; Ruth Caze-neuve, Carl Thibaux, Jessie La-Farge, L. B. Lowe, Aline Alexander, Mr. James Seghers, \$5 each.

Forty-one pupils have registered for the St. Rose de Lima school band. Since Tuesday these young musicians have again been tooting away. This band is only one and a half years old. The progress shown by the band during its year and half of existence, is truly encouragement to its zealous and able director, Rev. Father Kinder.

are setting a New Record
DOWN ON THE FARM

Southern Bell is putting in farm telephones five times as fast as before the war. Total telephone installations in Southern rural areas this year will set an all-time record!

Linking farms scattered over the South to markets and friends in town is a tremendous job that calls for thousands of poles and thousands of miles of telephone wire. It also calls for the know-how, experience, and the kind of equipment that has made America's telephone service the best in the world. Since the war approximately sixty million dollars have been spent to expand and improve telephone service in rural sections.

Telephone folks are working hard to extend service as rapidly as possible to all the farmers who want it. And we're making outstanding progress!

50th ANNIVERSARY

1899

1949

The Spanish American War was over and the treaty with Spain ratified; William McKinley was president and the Czar of Russia had called a Universal Peace Conference at the Hague—Gulfport had just been incorporated, completion of the Gulf and Ship Island Railroad undertaken and the lumber industry of South Mississippi started in earnest.

In such times and in such a historic setting a group of enterprising and public spirited citizens gathered at the Courthouse in Bay St. Louis to organize a bank, the nearest bank on the Coast being in Biloxi.

On October 9, 1899, the Hancock Bank opened for business with a paid-up capital of \$10,000 and deposits totaling \$8,337.41. In April 1902, at the urgent request of citizens of Pass Christian, who were without a bank, the Hancock Bank opened its banking house in that city. In 1932, in the midst of an unprecedented depression and at the invitation of Gulfport citizens who were without local banking facilities, Hancock Bank brought its service to Gulfport.

Over a period of half a century the Hancock Bank has grown in strength and service, from its original resources of \$18,377.41 on October 9, 1899 to \$15,257,580.11 on October 9th, 1949.

The building of a strong bank is not an easy undertaking. The combined thought and labors of many men and women have gone into the development of this institution. We are gratified that we have active accounts on our books begun by our friends when the Bank was first opened nearly half a century ago, and

that the children and grand children of these original customers are doing their banking with us.

The Hancock Bank has been much more, however, than a safe place to keep money, make loans and pay by check. Its many conveniences and its comprehensive service have facilitated business, promoted commercial and industrial enterprise, helped individuals, stimulated civic improvements, encouraged reforestation, aided agriculture, developed shipping and supported better schools, roads and churches.

Through its initiative, courage and untiring efforts it has also put the stamp of character into the business of banking. To thousands of depositors and countless others, the name HANCOCK BANK suggests STRENGTH, STABILITY and INTEGRITY. This institution was founded on the PRINCIPLES of HONOR and SERVICE and has always been conducted by men who regard banking as a PUBLIC TRUST.

As it now passes another milestone on the highway of financial service, it rededicates itself to the unfinished task of opening fresh frontiers, that this Coast country may more richly develop in material progress and grow in collective integrity. The Challenge of the future holds greater problems than any we have yet encountered.

Upon a record of steadfast adherence to sound banking principles and practices, we accept our added responsibility with humility and express our appreciation for the confidence you have placed in us, while we encourage that continued cooperation so essential to the prosperity and advancement of this section.

MRS. ADELAIDE LYMAN DIES HERE THURSDAY

Adelaide Harris Lyman, wife of the late Guy V. W. Lyman, died at the Kings Daughters hospital Thursday afternoon at five o'clock following a brief illness.

The body was taken to New Orleans Friday and the funeral was held in New Orleans Saturday, October 9 at 2 p. m. Interment was in Metairie cemetery.

Mrs. Lyman leaves one son, H. G. Lyman of New Orleans, a sister, Mrs. C. A. Wurtelle of Bay St. Louis. She also leaves several grandchildren.

Mrs. Lyman had lived in Bay St. Louis since 1937. Her husband who was director of the People's Federal Loan and Savings Association died in January, 1949.

ANNIE KITTREDGE DELL DIES IN NEW ORLEANS

News has been received here of the death in New Orleans of Mrs. Annie Kittredge Dell, a former resident of Waveland. Mrs. Dell had been ill for sometime.

Mrs. Dell died at her home 2734 State St., Friday, October 7 at 10 p. m. The funeral was held Saturday at 4 p. m. from the home of Tharp-Sonthmeier-Tharp in New Orleans. Interment was in Metairie cemetery.

Mrs. Dell is survived by her husband, Valentine Dell, and two sons, Clifford and Valentine Kittredge Dell of New Orleans. She also leaves her sister, Mrs. A. F. Fournier of New Orleans and Waveland.

Mrs. Dell made her home in Waveland for many years and took part in civic affairs there and in Bay St. Louis. She was a member of the Episcopal church.

W. H. Austin Named Manager Of Hotel

W. H. Austin of Forest in Scott county was recently made resident manager of Hotel Heidelberg in Jackson.

Roy W. Heidelberg, owner of the hotel, in making the announcement, said:

"It is our policy, whenever possible, to make promotions from qualified members of our staff. Hal Austin has been with us 12 years. He started here as a bell-boy, was successively promoted to bell-captain, desk clerk, and superintendent of service. It pleases me to promote him to resident manager because his previous service proved his popularity, efficiency and trustworthiness, and assures the Heidelberg's guest of the fine service we strive to maintain."

Austin succeeds J. H. Woodard, who is now with the Moulton Hotel, Birmingham, Ala.

—Mr. and Mrs. R. C. Robin of New York are visiting Mr. Robin's brother and sister-in-law, Mr. and Mrs. T. T. Robin, at their home here. They will later go to Jackson for a family reunion where they will be joined by Mr. and Mrs. Herron Turnipseed and Miss Gene Robin. 2 Cans 37c

Prize Peach Pie

Broadcast: October 15, 1949

1/2 cup Fat Milk
1 envelope unflavored gelatin
1/2 cup cold water
1/2 cup canned peach juice
2 tablespoons sugar
1/4 teaspoon salt
1 teaspoon grated lemon rind
Chill milk until ice cold. Soften gelatin in cold water. Mix peach juice, sugar, salt and lemon rind. Add marshmallows. Cook and stir over very low heat until marshmallows are just melted, about 3 min. Stir in softened gelatin. Then stir into beaten eggs. Add 1 tablespoon lemon juice and 1 cup peaches. Chill until slightly thicker than unbeaten egg whites. Whip chilled milk with cold rotary beater, or electric beater at high speed until fluffy. Add remaining 1 tablespoon peach mixture. Put into cold 9-in. baked pastry shell. Garnish with rest of peach slices. Chill until firm.

WISH TO CONTACT ALL BLIND PEOPLE IN STATE OF MISS.

The State Welfare Department wants to get in touch with every blind person in the state through the various county welfare offices. Such persons between the ages of sixteen and sixty-five may not only be given the benefit of treatment and operations that will make them more physically fit but may be given free training that will prepare them for some kind of work so that they may make their own living. After careful examination, when it has been determined that physical rehabilitation is possible, the next thing to be done is to find out what such a person is able to do best. It is surprising to find how many different kinds of work a blind person may be trained to do. At the present time in Mississippi, blind people are doing well in thirty-one different kinds of jobs ranging all the way from making coat hangers to farming. Hundreds of blind Mississippians have within the last few years been taken off the relief rolls. There is no service a blind person has need of in the state that the state legislature has not provided for through the Department of Public Welfare.

N. C. C. W. DISTRICT MEET HELD HERE

The October meeting of the Bay St. Louis District of the National Council of Catholic Women, was held in the St. Joseph Academy den Wednesday, Rt. Rev. Msgr. A. J. Gmelch of Bay St. Louis opened the meeting with prayer.

Mrs. James F. Galloway, Deanery President, introduced the guest, Mrs. F. F. Stonaker of Natchez, Miss. Also in attendance were Rt. Rev. Msgr. A. J. Gmelch, Father George O'Malley of Long Beach and members of Long Beach, Pass Christian and Bay St. Louis units.

After the president's message was read by Mrs. George Guilbault, Mrs. J. C. Hoffman, diocesan president, gave her message, reading a letter regarding the collection of clothes, shoes to be sent to Europe, through the War Relief Services. Mrs. Faulkner explained that for every three Swan soap wrappers, mailed in to the company one bar of soap will be sent to Europe through CARE in New York.

Mrs. Stonaker had a Natchez newspaper, with an invitation to Bishop Gerow's Silver Jubilee reception on October 20 at the Eola Hotel in Natchez. Miss Jeanne Knost, made a motion that a purse be sent to Bishop Gerow, the amount having been decided on at the June meeting. The expense is to be assumed by the four units of the Bay St. Louis District.

Miss Shaeffer of Long Beach announced that Father Donohoe of the Gulfport V. A. Hospital asked the women of the Catholic Organizations to help entertain approximately 125 veterans. These veterans have been entertained once a month by Gulfport and Long Beach Catholic organizations. Pass Christian and Bay St. Louis were asked to help by taking alternate months. Mrs. Chas. M. Boyer of Bay St. Louis was made chairman of the entertainment committee.
